

Tumblers

Vigne

ESSENTIALS FOR AN ELEGANT BAR

A heavy sham coupled with complete transparency and the use of more popular capacities are the main assets of the **Vigne** line. This makes it a must-have in bars. It really is a timeless design in Krysta, adapted to all venues whether classical or more original.

Broadway

The **Broadway** collection and its sophisticated etchings will plunge you into a world of spectacular, vintage, high-end barware. The structures of the glasses are an exact reproduction of the distinctive marks on the dazzling collections that adorned the tables of yesteryear. The cut glass creates shimmering visual effects and extravagant relief adds to the tactile pleasure.

For the complete **Broadway** range see page 38-39 or the Cocktail section for inspiration.

Built to last, the **Granity** range is the ideal workhorse for any bar, club or pub. Focusing on ease of use, versatility and durability – there's a capacity for all drinks in the Granity range from shot glasses to large milkshake tumblers. The panelled sides make the glass easy and comfortable to hold whilst allowing the glasses to nest for easy transport and storage - the design of the panels also means they're impossible to lock.

Arcade is a continental classic, ideal for serving up a range of alcoholic and non-alcoholic drinks. The design of these glasses means they fit in well in many different settings.

Available from Mid 2020

Stack Up

ARCOROC

Another ubiquitous classic from Arcoroc, the **Stack Up** range redefines functionality in glassware with its clever multipurpose and feature packed design. The fully tempered material makes these glasses extra resistant to shock and impact, and if broken are designed to break into small blunt pieces for added safety. As the name suggests, they are perfectly stackable and well suited to demanding and fast paced venues.
